

Saturday, March 9, 2019 - Lac Gustave

Saturday's tour at Anne and Don Hetherington's place at Lac Gustave was excellent. Mild weather, great snow, brilliant sun, good attendance; 11 for Don's tour of the full Crown South, 4 for my group doing the LND loop, Blue, Crown South; and 4 snow-shoeing with Anne. We met at least 6 Vikings along the way.
