

# Viking Monday Tour Report for Mar 15, 2021

## Sheldon Racing Trail

Hello tourers,

Seven of us had an enjoyable tour yesterday on the 7.5k Sheldon Racing Trail. It was cold, but not too bad, windy but not too bad and a bit packed down, but not too bad. Hey it's March, maybe no more powder snow...

I am enclosing the image of our track from Jarmila's i-watch. Notice it seems to be more precise than the GPS track which Chris Teron uses for Viking's trail maps.
